DEQ's Criminal Investigation Division to host webinar on Litter Courts on Jan. 28

BATON ROUGE – On Thursday, Jan. 28 at 10 a.m., representatives from the Criminal Investigations Division from the Louisiana Department of Environmental Quality will host a webinar on how to start and operate a litter court within your municipality, city or parish.

The webinar is being conducted in support of the Louisiana Municipal Association and will be an overview of the Louisiana Parish and Municipal Model Litter Ordinances and handbook on litter courts, how they function and how to launch and manage them.

The webinar is free and open to the public. Participants will need to provide their name and email address in order to log on to the session.
